22<sup>nd</sup> April- Bank Holiday

23<sup>rd</sup> April- Return to school

## DO THE LITTLE THINGS WELL.

### WELCOME BACK

We hope you had an enjoyable winter break with your families and are looking forward to a very busy term.

### R.E

The first RE topic of the year is Celebrating. We will be thinking about family celebrations and church celebrations.

### Literacy

Our topics this term are 'What is in Space?' and 'Which character would you like to be?' (Traditional Tales)

In our first topic we will be investigating:

What do you need for a trip to Space?

What can you see in Space?

What do aliens love?

After half-term our questions are:

Who lives under the bridge?

What is your favourite character?

What could you use to make a house?

We would really appreciate if you could talk to your child about these topics. Maybe go to the library and borrow some books about them.

### UNIFORM:

Thank you for labelling your child's clothes with their name. Please make sure any new items are labelled as well. Jumpers are easily misplaced and this ensures that they get them back at the end of the day.

### HOW CAN YOU HELP?

We will also be having 2 Wow days next term. An alien invasion on Tuesday 29<sup>th</sup> January and on Tuesday 19<sup>th</sup> March the children will have the chance to dress as their favourite fairy tale character.

### Uniform

Please remember to put your child's name in their jumper.

### Mathletics

Please remember to log on to Mathletics as often as you can.

**Please contact us if you have any concerns or worries.**

**St Teresa's**  
Catholic Primary School

### Reading at home...

We hope you have enjoyed sharing books with your child. **Please continue to read with your child every night and ensure that you write in their organiser so that we know that they have read at home and we can reward them with a sticker each week.**

Make sure your child practices their bear/lion words too, these can be found inside their reading organisers. Your child needs to bring their reading books to school every day, so that can read at school.

Please ensure that any activities or homework that are set for your child are completed and sent back to school. The autumn homework completed last term looked fantastic.

### PE

PE will be taking place every week. It is essential that the children bring in their own PE kit at the beginning of half term and it can be bought home at the end of half term. A list of the PE kit can be found in your child's school organiser. PE is part of the National Curriculum and so it is important that every child takes part. If a child does not bring their kit into school, the school office will call parents to arrange a PE kit to be dropped off in school.

### Foundation Team

May we thank you in advance for your support and we look forward to a very successful Autumn term.

Mrs Andrews, Mrs McKinnon, Miss McFadden, Miss Tompkin, Miss Poxon and Mrs Sunley.
